Chairperson's Message

It is my pleasure to present the Annual report.

This year has continued to be difficult because of the Pandemic and the number of lockdowns imposed on our State to prevent the spread of CoViD.

2021 has been a year of uncertainty, with the cancellation of the Tamworth Country Music Festival and two local Country Music Festivals, at Gwandalan in January and The Entrance in August. *todayscountry94one's* annual Brand New Star Talent Quest was also cancelled on four occasions.

On a positive note; we have been able to continue a number of programs produced weekly such as the Australian Songwriters Program with Alan Gilmour; Di Lindsay and Peter Simpsons Australian Bush Ballads, DK the DJ's Country Music Religious Program, Tubby Dyer's BBQ Country, our weekly Request Show with Clair Hayes and Sports Show with Rick Jullienne & Dale Eggleton.

October 2021 - *todayscountry94one* was named one of three finalist in the Outstanding Small Station Award for its entry to the 2021 CBAA Community Radio Awards.

With more than 320 entries this year, this is an excellent achievement, also considering the tumultuous year that we have had. The results will be known in December.

Coast Community Broadcasters sincerely appreciates the support of our Listeners, local Business Sponsors, Presenters, Volunteers and Members.

We acknowledge the work of the Community Broadcasting Foundation, by providing Grants, which help to make organisations like ours sustainable.

The Board also wishes to express appreciation of the support of CBAA - Community Broadcasting Association of Australia.

We look forward to continuing to provide great Country Music, promoting local, national and international country music artists and supporting our Community.
